

THE MET

Cloisters

Visit America's only museum dedicated exclusively to the art and architecture of the Middle Ages. Enjoy a guided tour of the collections and gardens, and spend a beautiful spring day with fellow retirees.

The Met Cloisters is located within Fort Tryon Park, which may present challenges for visitors with limited mobility. Participating in the tour may involve navigating inclines, cobblestones, steps, and uneven terrain.

\$20 /person

Please call the Retiree Division to reserve your spot
